

1 Corinthians 11:2-16

God has a pattern for husbands and wives

- there is a “head” and a “helper” (verse 3 – see Genesis 2:18)
- this is to be visible in gathered worship (verses 4-6)

Because God’s plan is for men and women to be His glory

- our purpose: glory (verse 7)
- we are different... need each other... from God (verses 8-12)

Because nature teaches our need of Christ’s covering

- nature: hair reveals something (verse 14)
- “her glory... a covering” (verse 15 – see Isaiah 4:5)
