

A question to start: If you could ask Jesus to

do **anything** for you,

what would you ask for?

In our passage today we're going to see

three different events that

look like they don't belong

together but

hopefully we'll see that the differences help

us to understand the big **point**

of the passage.

First we need to see we are needy

sinners:

Jesus asks two different people what they

want. James and John want

power. The blind men

want **mercy** (that's a bible

word for God not giving us what we deserve - judgement). How about you, what would you ask Jesus for?

3

Next we need to see Jesus is a

serving saviour. Jesus

serves us by dying in our place

This means that we have the

power to serve other

people because we have

seen how Jesus' service

saved us.

4

Colour the picture of Jesus healing the blind men. Pray with your grown up that you would understand how Jesus has served us and that this would make you want to serve others.

Jesus Heals the Blind Men (Matthew 20:29-34)
