

Our passage today is still about Jesus showing

the Pharisees

for who they really are. We are going to see

two things about what the

Pharisees are like and two ways Jesus' disciples need to be

different.

First: The Pharisees are

hypocrites

this means they don't do what they say others

must do. How they live does not
match how they say others should
live.

Second: The Pharisees are

show-offs

they care more about what people think of

them than what God thinks of

them. They love it when people think they are

important.

So what are Jesus' disciples to be like? First

they are NOT to be like the

Pharisees, they are to care more about God's

honour than their own.

Second they are to be

servants. We've

heard this before in Matthew but it's really important we understand this as Christians.

Pray with your grown-up asking God to help you love God most and serve him whole-heartedly.

Colour the picture of the Pharisee who cares more about what people think about him rather than what God thinks about him.
