

Do you remember last week we were hearing Jesus talking about how to get

ready for Jesus' return?

Well today we're going to hear what it will be

like when he does: return.

The first thing we learn is that Jesus the

King will judge all people.

When Jesus uses the words the

Son of Man,

he is talking about himself and we see that

when he comes back to earth his job will be to

separate people.

Some people will be invited to

"come" to Jesus. This is

amazingly good news.

But there will also be some bad

news because some people will be told to

"depart" from

Jesus.

This is a hard thing to think about but we must trust that God is a

righteous judge.

So we need to be sure that we

belong to Jesus by

trusting him and what he has done and the

proof of this is how we look

after our Christian brothers

and sisters.

Say a prayer with your grown up, asking God to help you come to him and care for his people.
