

We've been thinking about what the bible

says to Christians about **hard**

things happening.

Today we're going to think about what the

bible has to say to non-

Christians about when hard things happen

(suffering).

It is actually really hard to go through

suffering **without**

Jesus, but lots of people do.

The bible shows us that it is only through
Jesus that it is possible to find a

peace and truth that we
really need when times are very hard.

This comes from

knowing some

important things, that are also in the bible:

1. God made the world and he made it

very **good**.

2. But people wanted to

push God out of the way.

3. But God is in

control.

4. So God sent his Son, Jesus in to the world to die for his people's

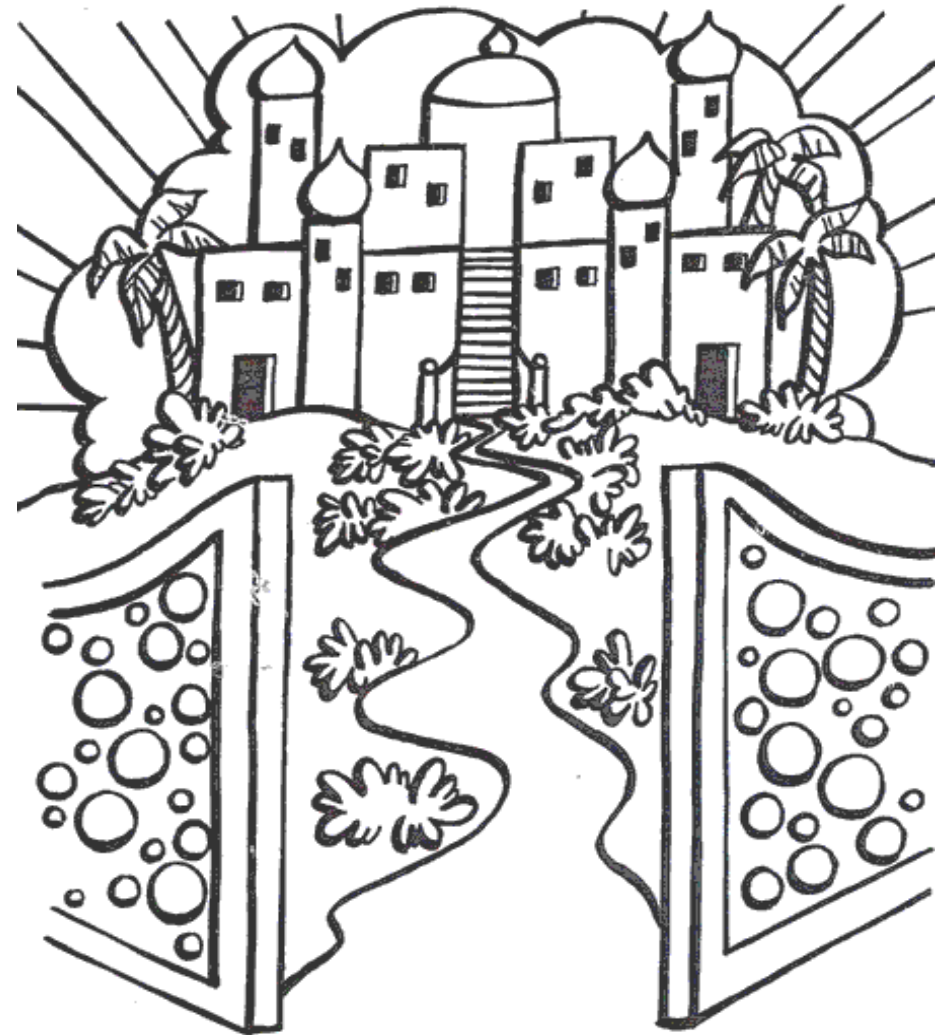

sins.

5. This means we can know Jesus with us now and also know that one day there

will be a new world with no sin, sadness or sickness.

This is good news for all of us and helps us to turn to Jesus, saying sorry for turning away from him and trusting him with our lives.

Pray about this with your grown-up and colour the picture to remind you of the new creation we heard about.
