God is King

BD Children's learning sheet - Lord's Prayer 3

Today we are carrying on thinking about

prayer. As we look at the next line in the Lord's prayer, we're going to be thinking about how God's

plans are more important than our own plans and we should be

wanting his plans to happen more than our plans.

Just like last week we see the word

"your" also this week.

This reminds us that we need to change our

hearts and put **God** first

rather than us first.

We know that we're talking to our Father,
but here we're reminded that he is also a

King and we're asking for His

Kingdom to come, this means three things:

1. We pray that

everyone on

earth would understand that only
God is the true King.

2. We pray for kingdom people to

live for the King.

3. We pray for Christ to

return, because then

everyone will know that he is the
true King.

The next part of the prayer says "Your

will be done". This is very hard to

pray because we are saying to God that the
things he wants are more

important than

the things we want. This is not how we
naturally feel so we need God to

help us with this.

Good is

King
