BD Children's learning sheet - Lord's Prayer 4

Today we're thinking about

forgiveness.

This is something that is so, so precious but it is also something that is

very normal

and necessary every day. Our bible passages today help us to see three things about forgiveness:

1. We are in debt to God

The Lord's prayer uses a funny word, debt. This usually means something we owe to

someone. Here it is talking about our

sin.

Remember the parable we heard, the

servant couldn't pay

what he owed his master. We are like that servant too, sin puts us in debt to God, but we have absolutely no way of paying Him back. So...

2. We ask our Father for
forgiveness

It's really important to remember that people who pray "Our

Father"

also pray "Forgive us our debts." This is

because Jesus commands us to

and because when we sin it gets in the way

of our friendship

with God. So, we need to ask Him every day to forgive us. And remember when we ask God to forgive us, He does!

3. We must forgive

others.

There is also a warning. We can't be forgiven by God if we don't forgive others.

It's so hard to forgive other people, we need God's help by the Holy

Good

forgives
