It's good for us to say _____ (rryso)

But if we have done something wrong,
we also have to make it _____ (ghirt)

This was the same for God's people in the Old Testament.

Before you turn the page - how many of the offerings can
you remember?

Leviticus starts with 5 offerings.

Today we are looking at the
fifth one:
the Guilt Offering

Read Leviticus chapter 5 verse 15. Which animal did they
have to bring for the guilt offering?

Leviticus tells us of some of the ways people might do wrong
so that they need to make a Payback Offering.

First - with some of the holy things. Perhaps they ate the
wrong part of one of their offerings or did something wrong
in the Tabernacle.

Second - they may have broken one of God's commandments without realising it

Third - they may have lost, broken or stolen something belonging to their neighbour

When someone does these things they become **guilty** and need to be **forgiven**. But they also need to pay back and make **right** what they have done.

Can you think of some ways that we sometimes do wrong?

1. _____

2. _____

When we do wrong we also become g_____ and need to be f_____.

And we also need to make r_____ what we have done. (Clue: look for the bubble writing on this page)

But is there anything we can give to God to make things right for our sin? Can any of these things help us today?

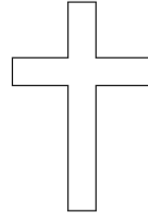

ram

money

Tabernacle

In fact, there is **nothing** we can do
to make things right with God.

But, this is another wonderful thing
God has done for us in Jesus!
