

Pray with your grown-up now, asking God to help you know the truth of the good news about Jesus and that this would lead you to love others. Colour the picture of the boy showing love by giving some of his toys to a friend.

I can show my friends that Jesus loves them.

BD Children's learning sheet - 2 John

This week we're in the letter of 2

John. We're going to see two

things:

1. Love in Truth - Be

united.

The big things that John talks about in his

letters are love and truth.

In today's letter the love he's talking about

is especially 'sideways' love, that

means love for other Christians in the
church.

The letter shows us that it is important to
know the truth but also that
the truth unites us in love.

Can you count how many times you hear the
word 'truth' in the letter?

When people walk in truth, it means that
their lives are changed by the gospel, so

they obey God and this leads to
other Christians rejoicing.

2. The Danger of Deception - Be careful.

There seems to be a particular thing that
this church needs to watch
out for. It's to do with who Jesus really is.

The letter warns the church
that they must watch out for people who
don't tell the truth about who
Jesus is.

We need to make sure that our
understanding of who Jesus is, is based
firmly in what the bible says and
that we believe what Jesus says in the
bible.
