

Draw a picture of your family in the photo frame and tell your parents one way you can honour them today.

Today we are going to be in the book of **Proverbs**.

We are going to see how to live a **godly** life in our families.

The **bible** teaches us that it is very important how we treat our parents! Chapter ten, verse one teaches us that we can be **wise** and make our parents glad or we can be foolish and make them sad.

The ten commandments also teaches us to '**honour** your father and your mother, that your days may be long in the land'.

Honouring our parents means that we live in a way that shows how much we **love** them. Chapter 23, verse 24 shows us that when we honour our parents, they rejoice! (That means they are super happy!)

#### How do we honour our parents?

We should **listen** to our parents. They know what is best for us and how to keep us safe.

Listening to our parents reminds us that we should also listen to **God**. He knows what is best for us even more than our parents do!

We know we can **trust** God and we can

trust our parents because they love God and they love us.

When our parents tell us off, we should try to **change** our behaviour and say sorry for what we have done.

The book of Proverbs can show us how to love and honour our **parents** even when we are **older**. It is something we can do even we aren't children anymore.

Pray with your grown ups and ask God to help you to honour parents and listen to them so that they will rejoice.
