

Draw and colour in the clean and unclean animals. Which ones could God's people eat?

Clean	Unclean
 Chicken	 Bat
 Reindeer	 Dog

Today we are back in Leviticus. Chapter 11 is about what God's people could and couldn't

eat.

Jesus wants us to be devoted to Him

God told His people to be totally

devoted to Him.

God wants us to be holy because He is

holy and He wants us to be able to come into His presence.

Animals taught God's people about being clean and unclean

Some animals were unclean for God's people to

eat and others were clean and could be eaten.

The **laws** God had commanded helped people think about their holiness.

What did these laws teach?

These laws taught God's people about holiness.

Everyday they would have to choose what to eat to be holy. It needed **all** of their attention.

God wants His people to be **different**. By eating only what God called holy, they were different to the non-believing nations around them.

What does Jesus say?

Jesus has taken away these laws so we can eat what we want!

But... **Christians** are still to be trained in holiness.

God wants our **hearts** to be clean from **sin**. We have to give our full attention to following Jesus and choosing not to sin. Thankfully, the **Holy Spirit** helps us as we try to be holy as God is holy.

Be holy

as God

is holy

Be holy
