

Remembering Christmas means remembering
who Jesus is – Who is he?

Remembering Christmas means remembering
where Jesus is – Where is he?

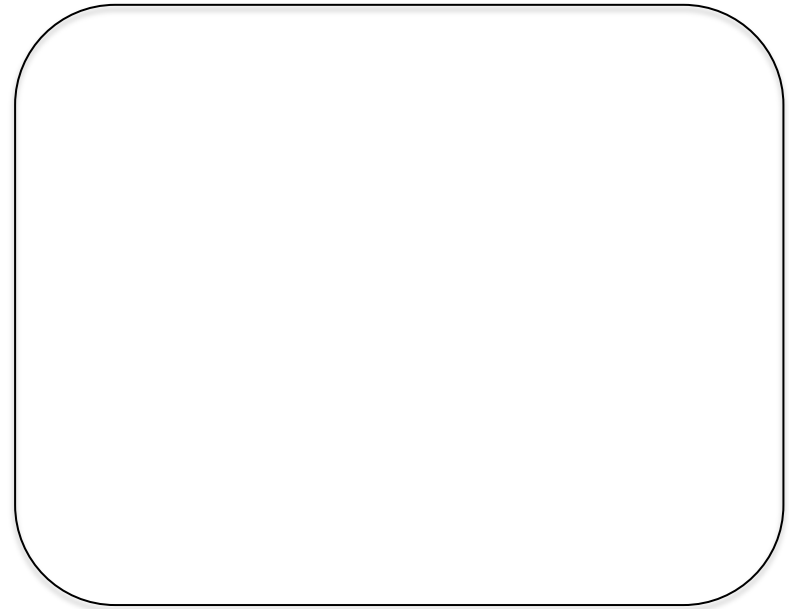

Why not pray with a grown-up when you get
home that you'd remember those things?

You could write your prayer here too:

Luke 2v41-52

What will YOU look like when you are 12?

Look at verses 43-45. Why are Mary and
Joseph so worried? _____

But what was the *real* problem?

- 1) Mary and Joseph forgot about Christmas
- 2) The family should have been more careful
- 3) Jesus should not have wandered off

Where did they find Jesus?
