

Today we are listening to God's word in  
Luke 2:41-52.

Christmas is nearly over! And in our story, too,  
Christmas is over. Jesus is not a baby  
In fact, he's 12 years old!

Can you draw a picture of what you might look  
like when you are 12 years old?

Jesus is  
God's Son

Mary and Joseph were very **upset**  
because they couldn't find Jesus.

Where did they find Jesus?  
In the **temple**.

Jesus explained that the Temple was  
his **Father's** house.

Mary and Joseph had forgotten that Jesus  
had another Father - God himself!

**Jesus** is the Son of God!

He is strong and kind and in control of  
everything.

Sometimes we forget who Jesus is.

When we forget about Jesus we often worry.

So, God wants us to celebrate Christmas  
**every** day!

He wants us to remember that  
Jesus is **God's** Son.

He wants us to remember that Jesus  
came into the world so that we can live  
**close to God**.

Every Christian person will one day  
be with Jesus in God's house  
- in **heaven!**
