

Our life is like walking on a long road to heaven.
Draw and colour yourself walking on the road below.

Today we are in 1 Peter, in verses 13-21.

Set your Hope fully on the Grace to come

Hope is when we expect something better to be coming.

Christians have a living hope because Jesus rose from the dead and is **alive** in heaven.

When we die, we will live in **heaven** with Jesus and that is our amazing hope.

Peter tells us not to put any of our hope in this **world**. He tells us not let anything distract us from Jesus and heaven.

Be Holy in all you do

God wants us to be **holy**.

Holy means we are set apart and

different from the world

because we **obey** God.

God is holy and He has chosen us so we can try to live holy lives as we wait to see Him in heaven.

Live Life in Reverent Fear of God

Jesus was perfect and He died for our **sin**.

Through Jesus, we get to know **God**.

God is **good** and holy and kind. He has given us a never-ending hope that we will live with Him in heaven, forever!

Pray with your grown-up, asking God to help you to live a holy life. Ask God to help you put your hope in heaven and to look forward to when you see Jesus.
