

Reading our bibles helps us to know how God wants us to love other Christians. Colour in the picture.

Today we are back in 1 Peter.

We are learning about how we should love other

Christians and how we should serve Jesus.

Jesus' People must Love one Another Deeply

God tells us to **love** all Christians...not just our friends!

But sometimes loving people can be **hard**.

When we are **tempted** to lie to one another or hurt one another, we can read our bibles to see how **God** tells us to love.

Together, Jesus' People have been given a Holy
Job to do

When we **trust** in Jesus we become
His. We belong to Him.

Christians are like a **temple** that
God is building so He can live in us and with us.

It is now our job to tell people about who Jesus
is and how He died on the **cross** and
rose again for us.

***Do you know why Jesus died on the
cross for us?***

By sharing this **good news**
with people, we serve Jesus and show our Christian
love for other people who don't know Him yet.

*Pray with your grown-up and ask God to help you to love
other Christians, even ones you aren't yet friends with.*

**Love one
another**
