

In the box, write as many sorts of people you might need to obey as you can think of...

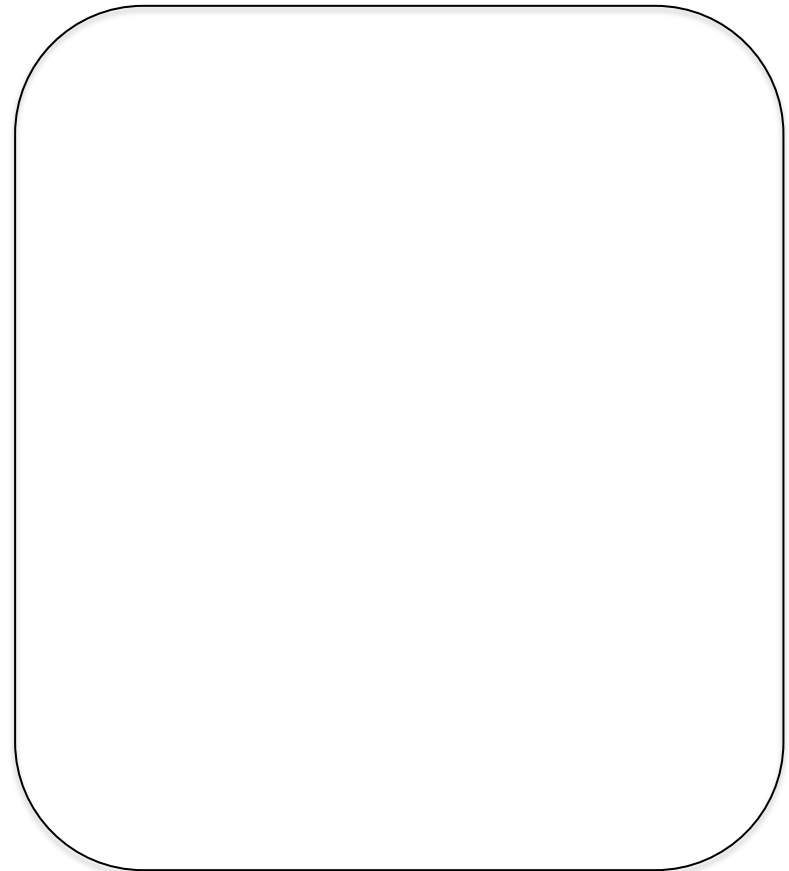

Who should we try and be like as we obey?

That's right! Jesus submitted to authority, even though it meant suffering. When you get home, why not pray as a family that you'd be more like Jesus?

1 Peter 2 v9-25

Who are you? _____

Okay – that was an easy one, but can you find as many words to describe Christian people as you can in verses 9-12?

Peter says we are chosen – what does that mean?

- 1) God wanted us!
- 2) It was an accident!
- 3) We are in charge!

Peter says we are sojourners and exiles – what does that mean?

- 1) He got a thesaurus for Christmas
- 2) We don't belong in this world
- 3) We're a tasty sort of sandwich

Christians don't belong in this world, but where do we belong?

And who do we belong to?

So that's who we are – and Peter says we have to live like we belong to God's eternal home! That means a war...
