

God created marriage. Marriage begins when one man and one woman get married (they have a wedding). Colour in the wedding picture below.

Today we are in 1 Peter, chapter 3.

Being a Christian can be hard. Even though we belong to **Jesus**, we don't always want to obey Him.

You Need the Cross of Christ

When Jesus died on the **CROSS**, He didn't shout or get angry with the people who put Him there. He **trusted** His Father.

When someone sins against us we should follow this example that Jesus has given us.

Jesus' death of the cross means that when we sin against someone else, we can say

sorry to Jesus and He forgives us.

Jesus' death on the cross also made us free from **sin**. Now, we can say **no** when we are tempted to do wrong.

God's Plan for Marriage

God made marriage for one man and one woman.

They are called **husband** and **wife**.

A Word for Christian Wives

A godly wife doesn't worry about wearing fancy clothes and jewelry.

She knows it is better to be **kind** and gentle than to look beautiful.

A Word for Christian Husbands

A godly husband **loves** and cherishes his wife. He uses his strength to **protect** and provide for her and their family.

Husbands should try to be like Jesus, Who **leads** and protects those who belong to Him.

Wives should try to be like the church, who **submit** to Jesus and allow him to lead us.

This gives **glory** to God and is all part of His good design.
