

Moses left Egypt to follow God. Colour in the picture below of Moses with God's people.

Today we are in the book of **Hebrews**.

We are going to be learning about **holiness**. God has lots to say about holiness in the **Bible**.

He wants us to be holy because He is holy. Today we are going to learn from the example of...

Moses.

What did Moses choose?

Moses was brought up by Pharaoh's daughter.

A Pharaoh was like a **King**.

Moses lived in Egypt and could do and have whatever he wanted.

But... Moses said **no** to **sin**, even though it looked fun.

He chose to be known as one of God's people, even though it meant he had to leave everything else behind.

The Faith of Moses

Faith means trusting God and his promises - even though we can't see Him.

Moses choice to follow God and be holy was hard but Moses had faith that God was going

to send a **Saviour**, just as He had promised!

What about us?

We can learn from Moses! He gave up the pleasures of sin to be one of God's people.

Living for Jesus and being holy means we have to give up sins we enjoy too.

When the bible tells us to be holy, God

helps us.

When we follow Jesus and live holy lives, we can have faith that we will be with Him in

heaven one day.

Pray with your grown-up, asking God to help you to say no to sin and try to live a holy life.

Be holy

Be holy
