

Mary chose what was best by listening to Jesus.  
Colour in the picture of Mary, Martha, and Jesus.  
Who is Martha and who is Mary in the picture?

Today we are **Luke** chapter 10. We are learning about growing up as Christians.

Christian People are meant to Grow up!

As followers of **Jesus**, we should want to become like Him. Just like we grow up from a child to an adult, we should grow up into **mature** Christians.

Make sure you are Listening to Jesus

The Bible tells us to **listen** to Jesus but we find that hard, just like Martha did.

A Problem we all Struggle with

Sometimes we get very **busy**. Busy working, or playing with friends, or watching TV. Being busy isn't always bad...

... unless we are too busy to spend **time**  
with Jesus.

See how Mary and Martha Approach Jesus

**Mary** sat at Jesus' feet and listened.  
She knew she needed to hear what Jesus was  
saying.

But... **Martha** thought it was more  
important to tidy her home... even though  
Jesus was there! Tidying is important but  
listening to Jesus is **better**.

What happened?

Mary listened to Jesus and He was pleased  
with her.

Martha was worried about tidying up. She  
thought she was better than Mary but she  
was missing out on spending time with Jesus.

Remember WHY we Listen to Jesus

We should listen to Jesus, like Mary did, so  
we can **know** Jesus better and  
become more like Him. We can get to know  
Jesus better by reading the **Bible**.

**Listen**  
**to Jesus**
