Today we are in Matthew, chapter 6, learning
about how we make big decisions.

Christian people find making decisions HARD!

As we go through life, there are lots of
decisions to make, like: Where will I live?
Where should I go to church?

Sometimes we **worry** about making
the **wrong** decision. Maybe we
want God to tell us exactly what we should do.

The Bible has important things to teach us!

Our powerful God always gets
His own way!

Nothing we do, even when we make bad decisions, can stop God's will from happening. He looks after the sparrows and we know He will look after us even more, so we can trust Him.

God tells us what is the right way

God's will for us is to love Him and love people. He wants us to grow as Christians and become more like Jesus.

And God has a plan for my life...

But we don't have to try and figure out what His plan is! We just have to trust and obey him.

So, how should we decide what to do?

Jesus tells us to seek God's Kingdom

first. That means we should spend our time learning to be more like Jesus than worrying.

God is our Father and He loves us and knows the things we need.

We should practice being godly and wise by reading the bible and praying.

And we should enjoy the freedom that God gives us! We have lots of

freedom to make all sorts of decisions as we obey God whilst doing it.
