

# Pray now!

With a grown up quietly pray now for someone who doesn't yet know Jesus.

Jesus  
is good  
news!

**Listen carefully to our Biblereading!** It's from Paul's letter to the Colossians.

**Today we're thinking about evangelism.**

That means **telling** other people about Jesus.

Everyone needs to hear about Jesus. But most people don't yet know Jesus.

Can you write down the name of someone who isn't yet a Christian?

---

How can we help them?

# Pray

When we pray we are **talking** to God.

We can **ask** Him to help someone trust in Jesus.

And we can ask Him to help us to **speak** about Jesus.

# Try to copy Jesus

Paul says that we are to be careful about the way that we **walk**.

As we walk through life, other people will see how we **live**. They should know that we belong to Jesus.

# Use godly words

When we're with people who aren't Christians he wants us to use **words** that are godly words. Most of all he wants us to talk about Jesus.
