

### 3. We glorify God as \_\_\_\_\_ and as \_\_\_\_\_

God is our maker! His plan is that all of his images are either male images or female images.

male = \_\_\_\_\_ and \_\_\_\_\_

female = \_\_\_\_\_ and \_\_\_\_\_

The body that God has given to you tells you what kind of image you are!

And it shows you how you can bring him glory.

Sometimes, our *bodies* don't work properly.  
Sometimes, our *feelings* don't work properly.  
The Lord knows all about it when we suffer  
and when we sin. He will be our helper.

*On another sheet of paper  
copy out 1 Corinthians 6:19-20.  
Try to learn it by heart.*

Listen to Andrew's silly story about the fish...

What's water?! Sometimes we need to stop and notice what we're "swimming" in.

### What are you?

### Why are you here?

We've got 2 Bible passages to answer those questions.  
Listen carefully please!

*Genesis 1:26-27*

"Then God said, "Let us make man in our image, after our likeness. And let them have dominion over the fish of the sea and over the birds of the heavens and over the livestock and over all the earth and over every creeping thing that creeps on the earth."

So God created man in his own image,  
in the image of God he created him;  
male and female he created them."

*1 Corinthians 6:19-20*

"You are not your own, for you were bought with a price. So glorify God in your body."

## 1. We exist to bring \_\_\_\_\_ to God

God the Father, God the Son, and God the Holy Spirit:

Our God is glorious! There is no limit to his...

wisdom... power... goodness.

He shows his glory in his creation.

Q: What's the most amazing thing you've seen lately in God's world?

He shows his glory in saving people.

Q: Where do we see Jesus' greatest glory?

\_\_\_\_\_

Human beings bring glory to God in a very special way.  
The Bible says that he made men and women to be an

just like a mirror reflects an image

We find it hard to bring glory to God!

But that is your number one job, for your whole life!

## 2. We are called to glorify God in our \_\_\_\_\_

Q: What tools has God given us to get this job done?

A: He has given each of us a

What's a soul? Top facts...

- It's the "bit" of you that has feelings. Like when you're happy, sad, angry, or loving.
- It understands things, and chooses things.
- Your body can die. God will give you a new body one day. But your soul can never die!

And God has joined together soul and body. They go together. Imagine:

Your face is smiling...

Because inside you are feeling

Draw a happy you!
